Warning: Covid-19 exceptional measures

- **Teaching room rules:**
  - Covid-19 testing (Uliege) is strongly encouraged.
  - 50% occupation (one seat empty between two students).
  - Contaminated students are gently asked to stay at home.
 - Students with higher risk (or anxious) are free to stay home.

- **Face mask:**
  - Compulsory! (precautionary principle, respect others).
  - Other easy barrier behaviors are mandatory too.

- **Recording:**
  - Workshops will be recorded and shared to all students.

- No interactions allowed in our offices.

Who are you ?

- **Backgrounds:**
  - Different learning paths.
  - Knowledge of programming and optimization.

- **Expectations:**
  - Reasons for choosing this course.
  - Learning expectations.

- **Feedbacks:**
  - Completely new organization of the workshops.
  - Call for feedbacks (teaching, content, complexity, etc.).

Any questions?
